Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Avonlea Senior Housing Apartments project in fiscal year 2025. The entity to receive funding for this project is Loudoun County, Virginia, located at 1 Harrison St SE, Leesburg, VA 20175.

The funding would be used to finance and construct a 130-unit senior affordable, multi-family rental development. The funding is an appropriate use of taxpayer funds because it will provide 130 units of affordable housing for limited-income seniors in Loudoun County, where approximately 13,000 households are rent-burdened.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
