Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Lovettsville Second Elevated Water Tower project in fiscal year 2025. The entity to receive funding for this project is the Town of Lovettsville, Virginia, located at 6 E Pennsylvania Avenue, Lovettsville, VA 20180.

The funding would be used to construct and install an elevated water storage tank serving Lovettsville. The funding is an appropriate use of taxpayer funds because it will provide more stable system pressure on the southern side of the Town, provide additional capacity in drought conditions, and provide access to clean drinking water for local residents, schools and businesses.

This project has a Federal nexus because it is for the purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
