Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Opal Water System project in fiscal year 2024. The entity to receive funding for this project is Fauquier County, Virginia, located at 10 Hotel St, Warrenton, VA 20186.

The funding is an appropriate use of taxpayer funds because it will establish public water system where it currently does not exist and connect a small standalone public water system to improve water quality and capacity.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
