Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Park Central Complete Streets project in fiscal year 2025. The entity to receive funding for this project is the City of Manassas Park, Virginia, located at 100 Park Central Plaza, Manassas Park, VA 20111.

The funding would be used to construct safety and accessibility improvements for pedestrians, cyclists, and drivers in Manassas Park. The funding is an appropriate use of taxpayer funds because it will provide safe and accessible transportation options and connect Manassas Park with surrounding communities.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
