Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Washington & Old Dominion Trail Lighting project in fiscal year 2024. The entity to receive funding for this project is the Town of Leesburg, Virginia, located at 25 West Market Street, Leesburg, Virginia 20176.

The funding is an appropriate use of taxpayer funds because it will install lighting on a 1.25-mile segment of the Washington & Old Dominion Trail, increasing pedestrian and cyclist safety during early morning and evening hours including for students using the trail to access the nearby Loudoun Valley High School.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton  
Member of Congress
