Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Investing in our Youth: Career Readiness and Job Training program in fiscal year 2023.

The entity to receive funding for this project is Fairfax County, Virginia, located at 12000 Government Center Pkwy Fairfax, Virginia 22035.

The funding would be used for establishing neighborhood job and entrepreneurship technology and research centers for teens and young adults at the County's community centers, teen centers, and neighborhood initiative sites. These centers would provide teens and young adults with career readiness skills, job training, and leadership programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
