

Photo Submission Guidelines

Acceptable

- Clean, cropped and well lit with out any shadows
- High resolution with entire image in frame
- Accurate and consistent color and lighting

Photo Taking Tips:

- Natural light works best!
- You can use basic in-phone editing to crop image
- Do not over edit, keep details such as color and value (the lights and darks) true to original image

Unacceptable

- Not properly cropped, has background showing in both examples (carpet and wall)
- Shadow from hand/arm in left photo, hand present in right photo
- Inaccurate color and uneven, inconsistent lighting
- Work is skewed, distorted
