CERTIFICATION OF FINANCIAL DISCLOSURE

Disclosure of Financial Interest

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Local Inpatient Purchase of Services (LIPOS) and Discharge Assistance Planning (DAP) Data Collection and Management System Project in fiscal year 2022. The entity to receive funding for this project is Fairfax County Government, located at 12000 Government Center Parkway, Fairfax, Virginia 22035.

The funding would be used for creating a secure data collection and management system for the administration of inpatient hospital bed purchases, as part of the LIPOS program and state mandated data collection requirements. The project will establish the capability for all Region II Community Services Boards (CSBs), including Prince William, Alexandria, Arlington, Loudoun, and Fairfax-Falls Church, to access a secure common interface. The new system will consist of a secure web-based portal with common secure access by regional CSBs. The portal will be accessible (access controls in place) by six different locations with the ability to enter data simultaneously.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
