CERTIFICATION OF FINANCIAL DISCLOSURE

Disclosure of Financial Interest

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Police Use of Force Assessment, Evaluation and Analysis in fiscal year 2022. The entity to receive funding for this project is Prince William County Police Department, located at 9311 Lee Ave, Manassas, Virginia 20110.

The funding would be used to assess, evaluate and analyze the Prince William County Police Department's use of force policies, training programs, police culture, supervision, de-escalation strategies and tactics with the assistance of an independent contractor. The independent contractor will also evaluate and assess what environmental factors, or precursors are commonly associated with uses of force using the police department's use of force data. The contractor will recommend what adjustments may be needed in existing use of force policies and training programs. Additionally, the contractor and agency partnership will analyze what use of force data is already being collected, what additional data should be collected and how the existing data should be interpreted and made available to the public. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton  
Member of Congress
