Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a training program to expand the number of behavioral health service providers through Federally Qualified Health Center and Rural Health Clinics in conjunction with Valley Health System in fiscal year 2023.

The entity to receive funding for this project is Valley Health System, located at 220 Campus Blvd Winchester, VA 22601.

The funding would be used for a program that works with secondary educational institutions to build graduate counseling programming and develop the professionals required to meet the growing need.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
