Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Improving the Quality of Early Childhood Educators in Virginia program in fiscal year 2023.

The entity to receive funding for this project is Virginia Foundation for Community College Education, located at 300 Arboretum Pl, Richmond, VA 23236.

The funding would be used for identifying 384 educators to participate in degree, credential, or certification programs at their local community college over a two-year period. Those students would be supported by early childhood education Navigators who would work to help them through the onboarding process (navigating scholarships, enrollment, financial aid, etc.).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton  
Member of Congress
