Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Metro Station Area Pedestrian Improvements project in fiscal year 2023.

The entity to receive funding for this project is Loudoun County, Virginia, located at 1 Harrison St SE, Leesburg, Virginia 20177.

The funding would be used to construct sidewalks, shared-use trails, crosswalks, and intersection improvements to facilitate safe and efficient pedestrian and cyclist access to the Loudoun Gateway and Ashburn Metrorail Stations in Loudoun County, Virginia.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
