Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Plaza Street Sidewalk Safety Improvement project in fiscal year 2025. The entity to receive funding for this project is the Town of Leesburg, Virginia, located at 25 West Market Street, Leesburg, VA 20176.

The funding would be used for the construction of approximately 1,000 feet of sidewalk along Plaza Street between the Leesburg Police Headquarters and Edwards Ferry Road. The funding is an appropriate use of taxpayer funds because it will ensure safer pedestrian access between low-income housing and nearby schools and shopping/employment areas in an area where there have been seven injuries from pedestrian/vehicular accidents in the past two years.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b)(7).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton
Member of Congress
